

# Get into a new frame of mind. Own the Edge.

It takes more than physical strength to Own the Edge. It takes the knowledge of Composite Risk Management, or CRM, and the mindset to put it in motion.

CRM is the most effective way to reduce accidents, decrease fatalities, and improve our Army's readiness. You can increase your knowledge to mitigate risks by making better-informed decisions.

Want to Own the Edge?

*Then get in the mindset of using CRM in every decision you make.*
